

T3 Week
10

HOME LEARNING

This powerpoint contains some ideas for home learning during lockdown.
Aim to do about 40 mins of home learning a day completing **at least 4 activities**
there is a [schedule idea on slide 3.](#)

Do what you can but above all else look after yourselves, stay safe and spend
time with your whanau.

Connect

Room 11, 12 and 14 private Facebook page: Share your home learning here!

<https://www.facebook.com/groups/pukekohenthroom11/about>

Please keep checking in on our facebook page, we will be adding lots of great things to do at home, and going live with story reading, mini lessons, and other fun things.

Whaea Robyn is on medical leave this week so please contact Whaea Kiah for support.

Whaea Kiah - Room 14

Ph: 021770422

Email: ksaunders@pukekohenthroom11.school.nz

Suggested schedule

Optional extras

Phonics/ Handwriting: Practice writing and reading the letters and words of the week.

Te Reo: Practice your Pepeha and learn colours.

Writing: Write one sentence using the prompts
Practice writing name (first and last)

Manage myself - Do one job to help someone in my house. (Make my bed, tidy up, pick up litter, weed the garden, help with cooking/baking etc)

Short fruit break/ Fitness

Try one of the bonus activities

Reading - Read one of the books plus a read along if wanted.

Games: Play a game with your family and have lots of fun.
Eg eye spy, snakes and ladders, puzzle, lego,

Maths - Pick something from the slide or count things around the house.

Before bed: Read a story with someone in your house.

There will be no more hard packs delivered before the holidays.

If we are still not back after the break we will get more out to you as soon as term 4 starts.

Reading eggs

I highly recommend downloading reading eggs for your Tamariki they have a 30 day free trial and it gamifies learning so your kids won't even realise they are learning with all the fun they are having! It makes learning so much easier.

This also includes a trial for a maths and phonics version too!

<https://readingeggs.co.nz/parents/signup/>

A colorful advertisement banner for Reading Eggs. On the left, the logo 'Reading eggs' is displayed in a playful font. The central focus is a large, friendly cartoon egg character with a face, arms, and legs, waving. Surrounding it are several other cute animal characters, including a cow, a pig, a sheep, and a bear. The background is a bright blue sky with white clouds and a green grassy field with pink and purple flowers. On the right side, the text 'Learn to Read with Reading Eggs!' is written in a large, pink, bubbly font. Below this, in a smaller black font, it says 'The multi-award winning online reading program for ages 2-13.' At the bottom right, there is a pink button with the text 'FREE TRIAL' and a right-pointing arrow.

Phonics

We are learning all about letters! We want to know the names of the letters, sounds they make and words they start with. Some activities you can do at home.

- Listen to and sing the phonics song 2
- Practice writing letters (chalk, pens, colours etc.)
- Play “I spy something starting with ... (letter sound)”
- Sound out words when reading and writing.
- Here are some words to sound out and write with your
- Web, wing, wag, wink, wet, hat, hen, hit, hut, hand, waha, waka, hipi

Phonics - cont

You can read the BSLA books that go with the phonics programme we are doing below. The link takes you to the book PDF and audio recording. Room 11 and 14 are reading the [Kakano - Seed Books](#)

Click on the
Pictures

Reading

- Practice your sight words help them sound them out and once they know them they can practice writing them. (They are in their book bag if you don't have them or they learn them all and need the next sheet please let me know.)

Storyline Online

- Read stories to your child whenever you can you can go on youtube, [Epic](#) and [Storytime Online](#) for more books.

Click on
the links

- Read the [ready to read books](#) with your child, aiming for about one a day or the phonics ones on the previous slide. I will link them in the images on next slide.

The MORE
that you read,
the MORE things
you will know.
The MORE that you
LEARN,
the MORE places you'll go.

Writing - Draw a picture then write about it!

Help students to write some stories (about 2-4 sentences) once a day.

Help them sound out the words and remind them of the sight words that they know. Focus on a full stop at the end of an idea and a capital letter at the beginning.

Some ideas of things you can write about include:

- If a dragon came to school
- If I were a princess
- The day I got lost in the bush
- My favourite sandwich.
-

Other tasks: copy words from around the house and practice writing their name full

Maths - Number and fractions

Your kids are learning about counting to 100. Numbers before and after 20 and counting in 2's you can play games with them asking and talking about numbers and play the linked songs.

DICE GAME: roll two dice Write an equation to match the dots you see eg $5+1=6$. Repeat this 10 times

Fractions

When we get back to school we are going to start learning about fractions! Here are some activities you can do at home to start learning about fractions-

- Help your grown up make a sandwich and cut it in half.
- Make a pile of 20 objects and split them into 2 and 4 equal groups. How many are in each group? How many would be in each group if there were 4 equal groups?
- Make a pile of 18 and 16 , how many equal groups can you make with these numbers

Maths - Number bonds to 10

[Link to a booklet on number bonds to 10](#)

$$0 + \square = 10$$

$$10 + 0 = \square$$

$$\square + 9 = 10$$

$$\square + 1 = 10$$

$$2 + 8 = \square$$

$$8 + \square = 10$$

$$\square + 7 = 10$$

$$7 + \square = 10$$

$$4 + \square = 10$$

$$6 + 4 = \square$$

$$5 + \square = 10$$

$$5 + 5 = \square$$

Challenge - Record your child doing their pepeha

This week it is Maori language week and your challenge is to record your child doing their pepeha and post it to the facebook page (or send it to your teacher). This might be something you also want to share with your Whanau as it is a special thing to learn and share.

Some songs in te reo maori

Some songs the tamariki love

Click the videos!

Where's the Monkey?

Fish and Chips are for me

Bad Hair Day

Sausages and Custard

I'm just a puppy dog,
A happy kind of guy.
I'm not a fussy dog
But sometimes I could cry.
When other dogs get biscuit treats
And Pal and Champ and Jellymeat
I think – that would be great !
But you should see what's on my plate!
They give me

Fitness

Create an obstacle course in the backyard.

Go on a nice walk with your bubble, run around the backyard 5 times.

Some great videos for a wiggle are below!

Make a Jelly to share with your family

- Could you write down the steps you took to make your jelly, how did it taste?
- What could you add to the jelly to make it super tasty.

Have a go at making popcorn in a pot

Try adding:

Chocolate - brown and white

Smarties

Honey and butter

Be careful and get an adult to help you.

Extra activities

Try out the home learning tv links to the [schedule here](#) and TVNZ below.

Art

Give this fun art a try with the resources you already have at home!!

Find a selection of twigs, leaves and other natural resources and make a nature mobile. You will be surprised what you can find.

You will need some larger sticks for the top and some string or wool to tie everything Together.

Have a try at making a petal sand saucer.

Inquiry - all about Spring

Learning about the season of spring.

Watch some videos and talk to someone in your family about spring.

Learn the names of some spring things in Te Reo Maori

NGA WĀ O TE TAU
