# New hard packs coming this week - check your mail box.

The packs include stationery, reading books (e.g school journals), subject specific learning materials and fun activities.

Parent and whānau guidance is also included to support children learning from home.

**- Contact me if it hasn't arrived!**

# Reading eggs

I highly recommend downloading reading eggs for your Tamariki they have a 30 day free trial and it gamifies learning so your kids won't even realise they are learning with all the fun they are having! It makes learning so much easier.

This also includes a trial for a maths and phonics version too!

<https://readingeggs.co.nz/parents/signup/>

An advertisement banner for Reading Eggs. On the left, the logo 'Reading eggs' is displayed in a colorful, bubbly font. The central focus is a large, friendly cartoon egg character with a smiling face, wearing a purple long-sleeved shirt and blue pants, waving its right hand. Surrounding the egg character are several other colorful farm animals, including a cow, a pig, a sheep, and a chicken. The background is a bright, sunny landscape with green rolling hills, a blue sky with white clouds, and a field of pink and purple flowers. On the right side of the banner, the text 'Learn to Read with Reading Eggs!' is written in a large, pink, sans-serif font. Below this, in a smaller black font, it says 'The multi-award winning online reading program for ages 2-13.' At the bottom right, there is a purple rectangular button with the text 'FREE TRIAL' in white, followed by a white right-pointing arrow.

# Zoom

I am starting up zooms for everyone this week I will text out the link on the day and post it in the facebook page too.

Zoom is a great way to connect and get some learning done.

Zooms can be done on a device with a camera or a phone.

Please have ready the device and some pens and paper for the kids.

Can't wait to see you there!!!

## ZOOM CHEAT SHEET FOR BEGINNERS

If you've never used ZOOM before, here are a few easy steps to get you started.

### *If you don't have a hyperlink:*

1. Open up your web browser and log into Zoom.com
2. Click on join a meeting
3. Type in the meeting ID and click join
4. You may need to click on [open.zoom.us], especially the first time
5. Click join with computer audio

### *If you were given a hyperlink:*

1. Click on the link and it should take you directly to the meeting.
2. Follow steps 4 & 5 as stated above.

### Helpful Tips:

1. Your microphone and video controls are in the bottom left corner. Please keep on mute unless you are speaking.
2. If you are accessing Zoom from a tablet or your cell phone, you will need to first download the Zoom app.
3. At the top of the page, you will see other participants.
4. Please be respectful of others speaking and wait your turn.

# **Zoom and FB live Schedule Week 8 13th - 17th September**

*Sessions will be between about 30 mins depending on engagement and content.*

They will all be posted on the fb page and I will also send out the links as a text the night before or morning of.

Sessions are being run by all the junior teachers for everyone to join and there are also some full school assemblies.

**Feel free to email or text me feedback or any requests around times and content.**

# Phonics - This week's focus: W w, H h

We are learning all about letters! We want to know the names of the letters, sounds they make and words they start with. Some activities you can do at home.

- Listen to and sing the phonics song 2
- Practice writing letters (chalk, pens, colours etc.)
- Play “I spy something starting with ... (letter sound)”
- Sound out words when reading and writing.
- **This weeks main letters are W w, H h.**
- Here are some words to sound out and write with your kids.

# Writing - Draw a picture then write about it!

Help students to write some stories (about 2-3 sentences) once a day.

Help them sound out the words allowing them to trace over your writing or writing without tracing if they are more confident.

**Some ideas of things you can write about include:**

- What is your favourite movie and why?
- What is a food you like to make?
- How many people are in your family?
- Write a letter to someone special.

Other tasks: copy words from around the house and practice writing their name full

# Maths - Number and fractions

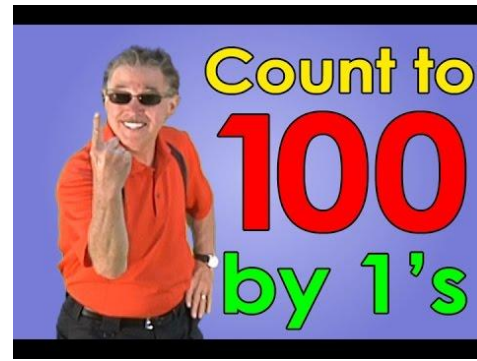

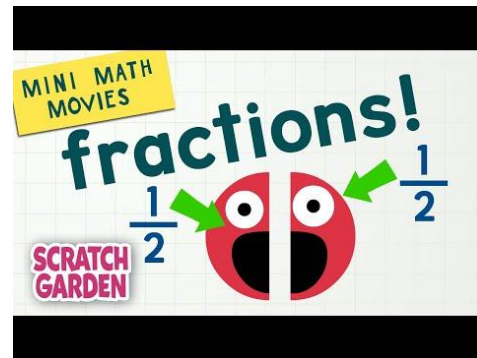

Your kids are learning about counting to 100. Numbers before and after 20 and counting in 2's you can play games with them asking and talking about numbers and play the linked songs.

**DICE GAME:** roll two dice Write an equation to match the dots you see eg  $5+1=6$ . Repeat this 10 times

## Fractions

When we get back to school we are going to start learning about fractions! Here are some activities you can do at home to start learning about fractions-

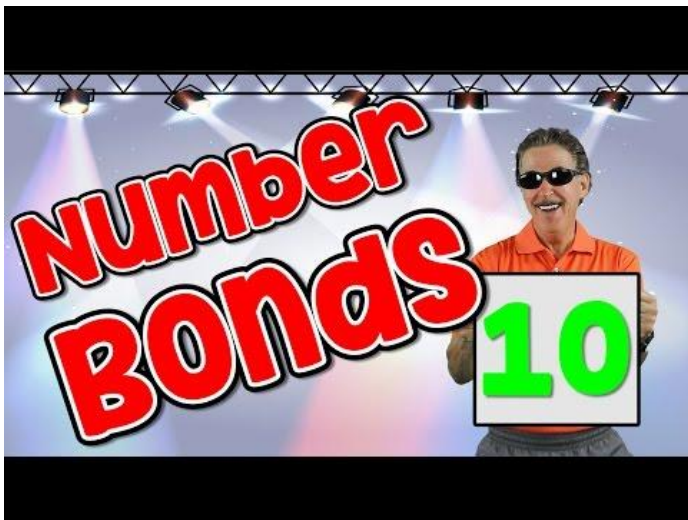

- Help your grown up make a sandwich and cut it in half.
- Make a pile of 10 objects and split them into 2 equal groups. How many are in each group? How many would be in each group if there were 4 equal groups?

# Maths - Number bonds to 10

[Link to a booklet on number bonds to 10](#)

$$0 + \square = 10$$

$$10 + 0 = \square$$

$$\square + 9 = 10$$

$$\square + 1 = 10$$

$$2 + 8 = \square$$

$$8 + \square = 10$$

$$\square + 7 = 10$$

$$7 + \square = 10$$

$$4 + \square = 10$$

$$6 + 4 = \square$$

$$5 + \square = 10$$

$$5 + 5 = \square$$

# Te Reo Maori

- Encourage your child to practice their Pepeha.
- Learn the new six60 song about NZ's Pepeha.

**Animals** - Learn some animal names in te reo Maori.

# **Challenge - Record your child doing their pepeha**

This week it is Maori language week and your challenge is to record your child doing their pepeha and post on the facebook page.

## HOME LEARNING CHOICE BOARD

Draw what you see outside your front door. 	Create an obstacle course outside and time yourself completing it.	Wash the windows in your lounge to be helpful or do another chore.
Make and decorate a shoebox into a dream bedroom or a little house.	Write instructions on how to make your favourite sandwich. 	Spend some time cloud watching. 
Create your own board game using recycled materials. 	Make a video giving a room tour of any room in your house. 	Take photos: do extreme closeups - sketch what you see in the photo. 
Go on the river walk or a bike ride. 	Make your pet or a soft toy its own bed or house. 	Write a song and perform it.

# Inquiry

This is an example of a healthy plate. We need to make sure we have a range of foods, and most of them should be vegetables.

Can you find things in your house that fit into each category?

How about you have a go at creating your own healthy plate meal and post it to our Facebook page.
