# *Te Whānau Hui Whānau Project Term 3 2021*

Kia Ora Whānau

This term I have decided to let the tamariki choose what they would like to do as their whānau project that pertains to the kaupapa matua this term which is Wai me te Kai Hauora. They have come up with some awesome ideas and below are what we have all chosen together as a whānau.

## 1. Create a healthy recipe of your choice.

- Write the recipe.
- Make what you have created.
- Bring to school in week 10 to taste test and we will have a kaitahi with the amazing recipes you have created as a whānau..

# 3D Vegetable Garden

As part of our kaupapa Matua our tamariki 3D model will be to create a 3D vegetable garden. Tamariki have 5 weeks to complete this kaupapa. Enjoy whānau, have fun and think outside the box.

## **PAEARU/CRITERIA:**

1. Me awhina ia tāngata o tō whānau i a koe ki te hanga i tō ahu 3.  
All whānau must contribute somehow in some way to your 3D.
2. Kei a koe te tikanga mō ngā momo rauemi ka whakamahi.  
It's up to you what materials you would like to use.
3. Patopato he kōrero/ whakamārama i ngaa waahanga.  
Type/explain the parts of the veggie garden
4. Kia ātaahua kia pīrakorako mai ngā tae( Make it bright and colourful)
6. Kia kaha, kia maia, kia manawanui.  
Have fun and think outside the box.

## **WHAKAHOKIA MAI/DUE: Friday 1st October 2021**
