### Tumuaki Talk

Kia Ora Whaanau,

Of course COVID-19 has really put another dent in the start to our Term 1 for the second year now, however, our kaimahi/staff continue to offer lessons in face to face, hard copy or in electronic forms. We remain dedicated to provide learning to our aakonga/students in whatever form whaanau are requesting. We are here to serve the tamariki and whanau of Pukekohe North School to the best of our ability.

#### COVID -19 Immunisations Event:

You may be interested to know that on Saturday 12<sup>th</sup> March from 9am – 3pm at The Pukekohe Vaccination Centre (carpark across from 6 Roulston Street, Pukekohe) a free immunisation programme will be operating.

These events create an opportunity for whaanau and school communities to access a fun and friendly vaccination event close to where they live and will provide opportunity for whaanau and caregivers to vaccinate their tamariki against COVID-19, as well as access for the whole whaanau to receive any other COVID-19 vaccinations (dose 1s, 2s, boosters) and other childhood or adult catch-up immunisations that whaanau members may have missed (MMR, Boostrix, HPV).

#### Our Learning Focus for Term 1 2022:

Our kaimahi/staff are focusing upon Reading and Mathematics, increasing their knowledge and skill levels.

Our Developing Mathematical Inquiry Communities (DMIC) facilitators have visited the kura/school to work with our kaiako/teachers in their classrooms.

As COVID numbers rose, Hemoata Flavell who is leading this Professional Development, organised for the delivery of the programme to be online.

Nicky Twiss is working with our School Achievement Facilitators (SAFs) to promote achievement in reading.

She is working with Tania Tawhi and Colleen MacGuinness in bespoke Professional Development aimed at Panui (Tania) and Reading (Colleen) programmes.

Senior Leadership Teams will observe kaimahi/staff teaching reading next week and offer support to strengthen and extend our literacy delivery.

### Shade Structure

As you may have seen, our new shade structure is now open after a blessing on Tuesday.

Our aakonga/students are enjoying shooting baskets and bouncing balls out of the sun.

Imagine how useful the structure will be in the winter time where the tamariki can play under cover and away from showers and squalls.

We are placing our order for new sports equipment soon for play based activities.

Our wonderful that we were able to secure \$10,000 in funding from the Tu Manawa Fund via CLM.

The structure and equipment become even more important because ALL school competitions have been cancelled during Term 1, again to keep tamariki safe during the omicron outbreak through March and April.

### Working with our Commissioner

I am working with Dr Shane Edwards to develop our kura/school over the next year.

We talk regularly and schedule a weekly catch up and a fortnightly face to face hui.
