

### Tumuaki Talk

Kia Ora Whanau,

Would you believe we are underway with Term 3 already?

This is another busy term and before we proceed further, we wish to ensure our kaiako/teachers have met with every whanau/parent to discuss where your tamariki are at with their learning. What they have progressed in to date and what the next steps for learning are. If you were unable to meet with your tamaiti's kaiako/teacher last term, can we organise a catch-up in the next two weeks? Your child's teacher will make contact with you soon to organise how this can happen.

### Mask Wearing:

Thank you for supporting our Mask Wearing Policy.

Whilst indoors, aakonga/students and kaimahi wear masks and keep to social distancing where practicable.

Daily numbers of COVID-19 cases are escalating along with cold/flu viruses.

Mask wearing reduces infection by up to 53%.

Please only visit the kura/school if it is important (drop-offs, pick-ups) and please wear a mask.

We have plenty of spares at the Administration Desk.

Our Mask Policy is included in this newsletter.

### Attendance:

We had some 50 aakonga/students who achieved between 90-100% attendance to the 6 months to the end of Term 2 2022.

Congratulations are extended in particular to: (95-100% Attendees) Carter Perry (99%), Kiua Aholeilei (99%), Mitchell Marsden-Matenga Wawatai (99%), Lalomilo Uliefu (98%), Quejeana Kani (98%), Aleisha Takirau (97%) Christina Marsden-Matenga Wawatai, (97%), Eli Bell-Brook(96%), Danny Rakena (96%), Rangitahi Mura (96%), Arihia Sterling (95%). Kylah Hanly (95%), Denzell Akurangi-Marsh (95%), Kellen Perry (95%), Lunivesite Ioane (95%), Tamaiti Tanoa (95%)

And to Peri Muru in particular who has attended kura/school every day and this is our 100% attendee!

### Professional Development:

Our kaimahi/staff concluded their holidays with two days of Professional Development.

On Thursday 21 July the kaiako/teachers were studying the teaching of mathematics with a focused view upon fractions and decimals.

On Friday 22 July, kaimahi/staff worked with Ministry of Education Behaviour Experts on Understanding Behaviour Responding Safely. (UBRS).

I am a firm believer that our teachers /staff are highly skilled in dealing with behaviour but it is always good to have a review of our policies and practices to ensure we are always improving and treating our aakonga/students with mana and building strong citizens for Aotearoa New Zealand's future.

In just over a week, several members of staff will complete their Intermediate First Aid Certificates, meaning all kaiako have current certificates at Pukekohe North School.

### Pukekohe High School Open Evening:

Tomorrow, Deputy Principal Donna Tupaea-Petreo will talk to our Year 8 aakonga/students about enrolment at the High School for 2023. The tamariki will bring home enrolment forms.

Pukekohe High School is following up with an Open Evening on Thursday 4 August 2022 from 4.00-6.00.p.m.

This includes an address by Principal Richard Barnett, a tour of the school, and an opportunity to talk to present pupils.

Enrolees require a birth certificate and to complete the forms that can be found on the Pukekohe High School Website to fully enrol for 2023. (Look under Enrolment – Year 9 2023)

### Kiwican Temr 3

The Graeme Dingle Foundation has advertised for a replacement for Ruiha who is moving to Australia and appointed Chavorn De Thierry to work alongside Tayla Puaha as our KiwiCan facilitator. Chavorn will commence her role in Week 2 of our Term.

### Term 2 Art Show:

The Commissioner wishes to pass on to the staff his thanks and applause for the end of Term Art Show that was organised by Whaea Atarangi Cook.

The artworks prepared by the kaiako/teachers and our aakonga/students were wonderful.
